

Exciting News for Pine Harbour Ferry

A new 90 passenger ferry has been commissioned to meet growing demand for the commuter service from Pine Harbour to Auckland, and is expected to be in service mid-2011.

Demand for peak ferry runs has increased steadily over the past 2 years, with some passengers experiencing an unexpected wait due to an over-full ferry.

The new ferry will be 17.5 metres long with a 6.8 metre beam.
