## New 100 passenger ferry coming soon.

Our new 100 passenger ferry **Clipper IV** will be in service in the next few weeks.

**Clipper IV** will provide more seats on the following sailings:

- Pine Harbour to Downtown sailings: 7.00am, 8.20am, 4.40pm, 6.00pm
- Downtown to Pine Harbour Sailings: 7.40am, 09.00am, 5.20pm, 6.40pm.

When **Clipper IV** sailings start, the Pine Harbour ferry service will move from Pier 3A to Pier 3C (currently under construction).

In the event that Pier 3C is not available when **Clipper IV** is ready to start, **Clipper IV** sailings will arrive and depart from Pier 4A. All other Pine Harbour sailings will continue to operate from Pier 3A until Pier 3C is operational.

Thank you for your patience during the transition.

going places*
